As a result of having the mini bus, more children have accessed after school clubs at Kelloe and Deaf Hill. There has been an increase in the number of competitions between the two schools. The number of children competing in festivals has increased.

Having an apprentice allowed us to train a school sports crew. More organised games at lunchtime. Lunchtime staff were trained and organise games. More sustained play and competitions in school. The children have become more active at lunchtimes. Games have been organised with younger children and young leaders were actively participating.
